

Price Guide and ordering Procedures for 2008 Toyo / W.S.C.C. Speed Series competitors

W.S.C.C. & Toyo Tyres wish to announce that the nominated Toyo Tyre supplier for 2008 is: **Westfield Sports Cars Ltd**
Tel 01384 408248 and ask for Dave Lane
Email: parts@westfield-sportscars.co.uk

In order to provide Speed Series drivers with the dedicated knowledge, support and information they require, all discount Toyo tyres are only available at the above noted contact.

This will enable all drivers to receive the continuous personal support and assistance they require on an equal basis for all concerned throughout the season.

When ordering tyres you will be requested to provide your name and series registration number, this is the last 4 digits as noted on your card, all registered driver details have been forwarded to both Toyo and Westfield Sportscars Ltd. and only registered drivers can purchase tyres at the discounted rates noted. Should you wish to collect your tyres in person, please take your registration card with you.

Please note delivery of tyres is subject to stock availability, wherever possible tyres will be delivered on a next day basis, where orders are received **before 13.00 hours.**

Tyres can only be delivered to business/office address, however please ensure that someone is available to accept delivery and sign. Failure to do so will incur additional delivery costs, to be paid by the competitor

All the prices noted include vat.

Buffing of tyres is not available at Westfield Sportscars Ltd, however, tyres can be delivered direct to a competitor nominated company that undertake buffing.

Mail Order: The tyres will be ordered from Westfield Sportscars Ltd. and delivered to the competitor by carrier free of charge (for 4 or more tyres, 3 tyres or less will incur an additional charge of £6.00 + vat), the competitor will need to arrange fitting of the tyres at their own cost.

Tyres collected from appointed dealer: Tyres will be fitted free of charge, by Westfield Sportscars Ltd..

Alan Meaker of Toyo Tyres is available to offer technical advice to registered drivers on tyre matters and can be contacted on 01933 414537 (office hours) or 07879 813915 (**no later than 9.00 pm**). Alan will also be in attendance at various events throughout the year.
